Tournament days:

Primarily tournament days of elite cup are weekend days, but upon agreement of all participating teams, respective teams as of scheduling any days are accepted by the competition office of the organizers (CO) within the calendar period of terms of the season. If the four respective teams are not able to compromise on the scheduling of a game, the CO will make decision on the timing.

STARTING TIME AND DAYS OF THE GAMES:

When it comes to set the starting time of the games from the organisers side, it always has to respect the visiting countries'-, the away teams' MNA- and the basic sport needs and regulations of the opposing team.

GAME PROCEDURE:

Minimum standards as it follows:

- Ice resurfacing before warm up
- Warm up starts: T-30 mins
- Warm up length: 15 mins
- Ice resurfacing after warm up
- Ice resurfacing after 1st and 2nd period

Provisioned cup format and scheduling according to the attached document (Game scheduling U16)

GAME ORGANIZATION:

All teams are responsible for the organization of their home tournaments, including off-, on-ice officials, healthcare on the site, and facility.

All visiting teams are responsible for their travel, the necessary travel documents (insurance).

Minimum 2 weeks prior tot he games game invitation should be sent out to the visiting team.

PLAYER ELIGIBILITY:

Players are included on the team entry list upon MNA's approval (stamp, signature).

Any players of any team that is enlisted on the long entry list are eligible to be signed on the game sheet.

OVERTIME/PENALTY SHOTS:

No overtime

PENALTY SHOTS:

1. Right after the overtime penalty shots take place
2. Penalty shots starting with 3–3 players. No need to name the shooting players in advance. All players on the game sheet are entitled to shot, except for the ones in point 3.
3. Those players that are in the penalty box and whose penalty is still ongoing cannot participate in the penalty shots and must staz in the box or inside the locker room. The same rule applies to the players penalised during the penalty shots.
4. Home team chooses if it wants to shoot first or second in the penalty shots.
5. Goalies are in the same net as in the overtime. Goalies can staz in their own crease during their team's penalty shot.
6. Goalies can change between any penalty shot.
7. After the first 3-3 shots, if the score is equal teams has to shot 1-1 and must go on until one scores and the other misses.
8. In this stretch the team order must be changed, but any player can shot might as well all the penalty shots.
